

It's ontime and done right or its on us!

PROPERTY MANAGEMENT

We offer our commercial and residential "Property Manager" customers in the San Francisco Bay Area, both a cost effective [low cost] facilities management and building maintenance services, and a chance to offer their clients our innovative *Two-tier Green Cleaning Program™* - which they can use as a selling point with their building-owner clients unsure of whether and when to transition to GREEN CLEAN.

PROPERTY MANAGEMENT SERVICES

- > *Two-tier Green Cleaning Program™*
- > Mid and High Rise Community Associations

- > Duplexes / Triplexes / Apartments / Hotels / Motels
- > Chain stores / Malls / Airports / Restaurants
- > Complete Facilities Management / Janitorial Services
- > Single or Multiple Unit Properties under Management

PBM Mission Statement

We at PBM, Inc., in order to provide our customers with Zero Defects maintenance services, customize our programs to an individual building's needs and execute them with fanatic attention to detail. Unlike any competitor, our project manager provides you with a signed *Personal Assurance of Zero Defects™* report at the end of each job.
